Information Guide for TeleFile and EFT Tax Payments

Timely Filed Payments

The purpose of this booklet is to aid you in making your EFT tax payments in a timely manner. To be timely, an EFT payment must be initiated on or before the "Timely Filed Date." The Timely Filed Date is the tax due date adjusted for weekends and holidays. The date for timely payment is based on when your payment is initiated, not the date funds are actually debited from your bank account.

For the ACH Debit option, you instruct the system to transmit your payment by indicating a Debit Date. **The Debit Date is the date you want your payment debited from your bank account. Note that your Debit Date must be a future business date. The Debit Date cannot be the same day that you originate the payment.**

You can originate your payment on the Timely Filed Date, as long as it is successfully completed before 5:00 p.m. Central Time. You can originate your payment in advance, any time up to 365 days prior to the Timely Filed Date.

For the ACH Credit payment option, your financial institution must successfully send your payment to the Federal Reserve on or before the Timely Filed Date. Those taxpayers using the ACH Credit option should contact their financial institution to verify cutoff times for these transfers.
